GUIDANCE NOTES FOR P2 HOMEWORK

READING

A reading homework is sent home each day from Monday to Thursday.

Please listen to your child read each night and go over any words which they find challenging.

WRITTEN HOMEWORK

Initially homework will consist of a literacy or numeracy activity. Then the children will move on to spellings and number facts throughout the year.

Their pencil should be sharpened before starting homework (and for school each day).

Please sign written homework each evening.

GENERAL INFORMATION

TOPICS

Throughout the year your child will cover seven themes. These form the basis of our play-based learning and will be a framework for our learning in other curricular areas.

LIBRARY

Your child will visit the school library once per week and choose a book which you can read and discuss together at home. This book is kept for one week and returned during the next visit to the library.

HOME LEARNING IDEAS

Language and Literacy

- Practise writing neatly with a sharpened pencil – remember to form capital and small letters correctly (see attached handwriting guide).
- Practise writing one sentence from their reading book progressing to building their own sentences.
- Answer oral questions from their reading book to increase comprehension skills.

Numeracy and Mathematics

- Count everything! Forwards and backwards up to 50.
- Be aware of 2D and 3D shapes in their environment.
- Encourage children to recognise o'clock and half past on the clock.
- Recognise coins up to £2.00 and handle money in shopping situations.

BALLYCLARE PRIMARY SCHOOL

MEDICAL ISSUES

Please ensure you follow our medical procedures guidelines if your child has a medical condition.

- (i) Ensure the school is fully aware of the condition and its implications in school.
- (ii) Ensure a yellow medical form is completed for any medication being requested to be administered in school.
- (iii) Ensure inhalers etc are provided for the class teacher, should an emergency arise.

Contact Mr McAuley (Head of Pastoral Care) for any further advice.

CARE REQUESTS

It is parental responsibility to ensure the school office/teachers are aware of any changes to collecting arrangements for your child in the afternoon.

Phone calls to change arrangements at the last minute are not welcome unless in an absolute emergency.

Please ensure your child knows who is collecting him/her at the end of the day. This provides comfort and stability for the school day.

BALLYCLARE PRIMARY SCHOOL

ANTI-BULLYING PROCEDURES

As a school, we are very pro-active concerning the issue of bullying. All classes are taught not to engage in such behaviour, but also what to do, should it unfortunately still occur. When an incident is reported, the following will take place:

- (i) The class teacher will speak to the bully and the victim involved. Bystanders may also be involved in this discussion. Clear guidance will be given that this type of behaviour should cease immediately. If a child (victim) is distressed at this level - parents will be informed. The parent of the bully will be contacted immediately to ensure the incident is dealt with at home.

- (ii) Should this type of incident continue, the class teacher will inform the Head of Stage/Vice Principal/Principal. The bully will be punished in line with our Positive Behaviour Policy and parents will be invited into school for a meeting. No child will be permitted to persistently annoy/upset another child in our school.

The positive ethos encouraged helps to eradicate the need for this type of behaviour but when it occurs, both the victim and the bully get help to ensure it does not continue. A bully often has other issues and these will be investigated to ensure this behaviour pattern stops.
